This **policy** also allows the **company** to receive, endorse and negotiate eligible payments from those parties on **your** behalf. When the **company** receives payment from any other insurer, or any other source of recovery to the **company**, the respective payor is released from any further liability with respect to the claim.

Autopsy: In the event of **your** death, the **company** may request an examination or autopsy subject to any applicable laws relating to autopsies.

Concealment and misrepresentation: The entire coverage will be void, if before, during or after a loss, any **material fact** or circumstance relating to this **policy** has been concealed or misrepresented.

The **company** upon making payment under this **policy** does not assume any responsibility for the availability, quality, results or outcome of any **treatment** or service, or **your** failure to obtain any **treatment** or service covered under the terms of this **policy**. Regardless of how many valid Visitors to Canada policies **you** have purchased with the **company**, the maximum amount for which **you** can be covered is limited to \$150,000.

In the event of a claim, all premium continues to be due and payable based on the original payment schedule.

Subrogation: If **you** suffer a loss caused by a third party, the **company** has the right to subrogate **your** rights of recovery against the third party for any benefits payable to or on **your** behalf, and will, at its own expense and in **your** name, execute the necessary documents and take action against the third party to recover such payments. **you** must not take any action or execute any documents after the
